RECRUITMENT & SELECTION

We accelerate your hiring process by replacing spreadsheets and emails all-in-one recruiting source. Speed up hiring and reduce cost-per-hire.

We find candidates fast, based on skills, keywords or location and save hours of research time. Browse rich candidate profiles and reach out with a personalized email

- 1 Hiring Pipeline
- 2 Candidate Profile
- 3 Interview Scheduling
- 4 Scorecard & Evaluation
- 5 Recruitment Reports

ASSESSMENT & TESTING

The assessments can be completed in less time, multiple candidates can complete the online assessment at the same time and there is no need for specialized (and expensive) personnel. All required knowledge is present in the e-assessment. There is no need for the presence of a psychologist or other expert at the assessment

1 Worked solutions

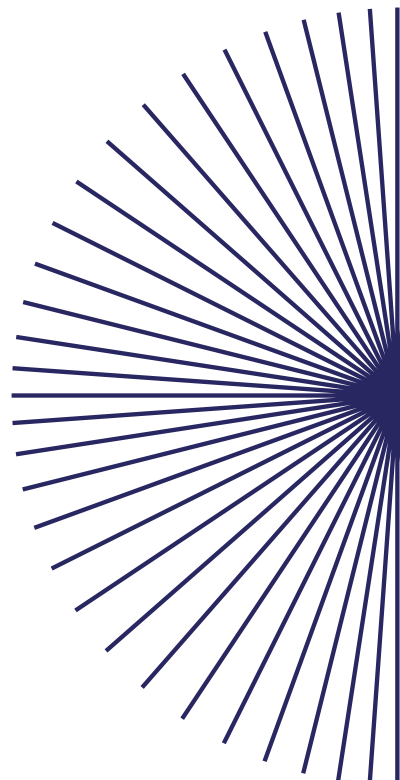

Every question comes with a clear, fully worked solution

2 Anytime, anywhere

24/7 access, optimized for mobile. Practice tests on the go!

3 Timed Simulations

1000's simulated questions to prepare for any aptitude test

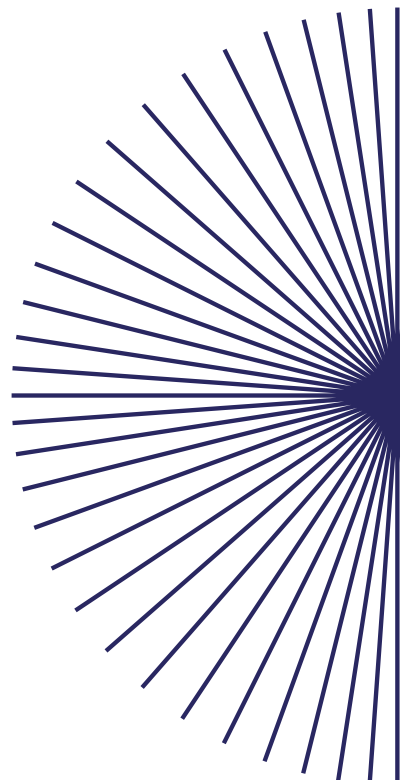

TEAM BUILDING ACTIVITIES

Team building in the workplace is the process of creating a team that is cohesively working together towards a common goal. The importance and main purpose of team building is to create a strong team through forming bonds and connections. Creating these bonds through team building is very beneficial to businesses and organizations

- 1 Increased Communication
- 2 Planning Skills
- 3 Employee Motivation
- 4 Employee Collaboration

LEARNING & DEVELOPMENT

We design & deliver engaging & effective L & D programs.
at reduced costs, make improve learning outcomes within your organization

- Essential Human Resources
- Advanced Human Resources
- WATANI 2030
- EPLP Interviews
- Human Resources Digitalization

E-LEARNING

The means by which training is delivered to employees is as important as training content itself. We believe that often just access to information is more important than perfect mastery of that information, and so we designed our training management software accordingly—to be accessible and sharable across all platforms and operating systems.

support training calendar that can help keep your team organized, and constantly improving

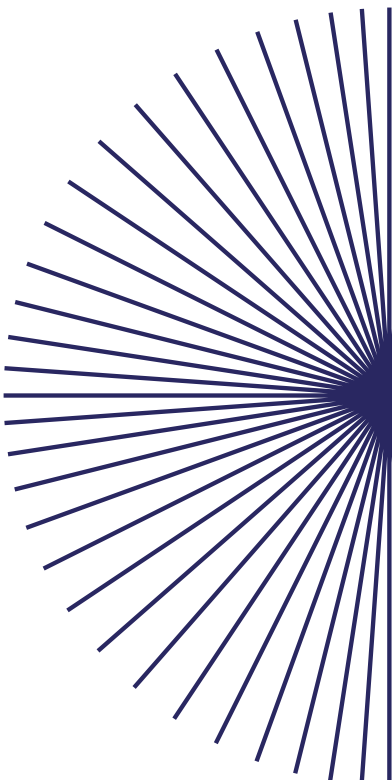

CUSTOM MADE SOLUTIONS

Our team is dedicated to help HR professional to develop innovative HR solutions to meet their expectations & achieve company's goals.

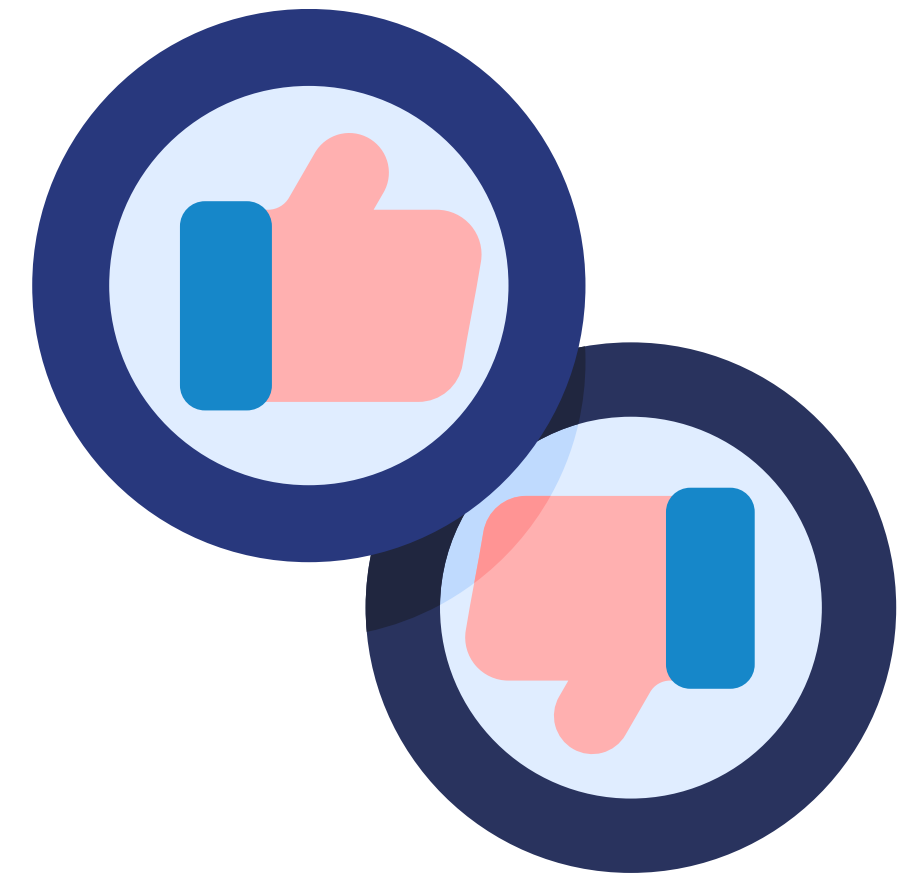

We help a lot of multinational clients to Digitalize their HR process to increase the effectiveness & efficiency of their resources, and reduce their costs.
